Note:

The Asia-Pacific Research and Training Network on Trade (ARTNeT), an initiative of UNESCAP and the International Development Research Centre (IDRC), Canada is an open regional network of research and academic institutions specializing in international trade policy and facilitation issues. Network members currently include 38 leading national trade research and academic institutions from as many developing countries from East, South and South-East Asia and the Pacific. The Trade and Investment Division of UNESCAP is the Secretariat of ARTNeT, and operates through a grant from IDRC. WTO, as a core network partner, provides substantive and financial support to the network. Visit www.artnetontrade.org for details.
